

## Q035 WORKLUX

### Utility Work Light

## PRODUCT OVERVIEW

The WorkLux LED Work Light is a lightweight utility light designed to deliver over 1000-lumens where it's needed most. Ideal for garages and workshops, its compact 2-foot design provides a focused 120-degree viewing angle. Equipped with a power cord and integrated rotary switch, the WorkLux also includes optional hook and magnet mounts for ease of use and secure attachment to various surfaces.
