

## Lightfair International

May 21 - 23rd, 2018  
Philadelphia, PA

Booth TBD

An exhibitor for seventeen years, **LEDdynamics, Inc.** will be returning to exhibit at the 2019 Lightfair International in Philadelphia, PA. This 3-day day event will provide LEDdynamics the opportunity to showcase their latest offering to the LED marketplace. With a new re-branding effort underway, the company is looking forward to reintroducing the world to their innovative low voltage solutions.

Feel free to contact Tom Swist ([tswist@leddynamics.com](mailto:tswist@leddynamics.com)) or Scott Cairns ([scairns@leddynamics.com](mailto:scairns@leddynamics.com)) in advance to schedule a booth appointment to meet and discuss your specific needs.
