

## Strategies in Light 2019

February 27 - March 1, 2019  
Philadelphia, PA  
Booth TBD

A returning exhibitor, **LEDdynamics, Inc.** will be exhibiting at Strategies in Light 2019 in Las Vegas, NV. Strategies in Light brings together suppliers of equipment and materials to the LED industry, LED system manufacturers, Lighting designers and architects, and automotive lighting suppliers to learn of the latest technologies in the LED market. It also delivers a unique experience in lighting with top speakers, innovative content, and exceptional networking opportunities.

Feel free to contact Tom Swist ([tswist@leddynamics.com](mailto:tswist@leddynamics.com)) or Scott Cairns ([scairns@leddynamics.com](mailto:scairns@leddynamics.com)) in advance to schedule a booth appointment to meet and discuss your specific needs.
